

This is your invitation to join our club.

Thunderbird enthusiasts meet on a regular basis to share stories, exchange event information and discuss all matters pertaining to these lovely vehicles from parts and technical know-how to personal experience and historical facts.

There is no better way to enjoy owning your '55 through '05 Thunderbird than to be a member of club full of fellow owners reminiscing 50 years of Thunder.

www.SouthTexasThunderbirdClub.com

Founded in 1979 and located in San Antonio, STTC is a subchapter of the South Central Region belonging to the Vintage Thunderbird Club International. We host local, regional and occasionally international car shows. There is also an annual Christmas party.

All years of Thunderbirds are welcome and it is not required to currently own one.

Meetings are typically held on the fourth Saturday of the month in a local restaurant. The location changes to accomodate members.

Dues for STTC are \$20 per year. The application can be found on our website along with additional contact information.

VTCI is a separate membership. Please visit their website for info:
