

STTC JUNE TBIRD TALES NEWSLETTER SOCIAL MEETING ALAMO CAFÉ 6-27-26

Our June STTC monthly meeting was held on Saturday, 27 June at Alamo Café on IH-10N. It was an intown social meeting as we often do during our hot Summer months. Those in attendance were Brian & Marilyn Carron, Gerry & Cheryl Busald, Stan & Olga Andrews, Danny & Kathy Varella, Jerry Cowan, Ed Powers, and myself. With a small number of members in attendance we were able to enjoy an excellent meal along with pleasurable conversations. I was able to get a couple of photographs before we all left after the meal. Here they are.

Our July STTC Meeting will be a Business Meeting on Saturday, July 25th at 10AM-11:30AM (note time change) at Northside Ford's Conference Room. Lunch to follow at 11:45AM Saltgrass Steak House, 16910 US 281 N, 78232. The August STTC Toyota Tour has not been confirmed yet by Toyota. There was some confusion as to whether or not Toyota was still doing tours. Apparently, they are, according to Jerry Cowan, who is checking to see if we are still on their schedule. I will notify ya'll if it is or is not.

Dené has not been able to be with us recently, due to travel, after her return, a bad case of the flu for about a week, a few weeks ago, and more recently food poisoning. In between all this, she has continued her walking in Austin preparing for an event on her bucket list she intends to accomplish. Her upcoming September 100Km Walk in Spain while doing the Way of Saint James, the well-known pilgrimage honoring the Disciple James. According to the Bible before he was martyred by the Romans he preached and taught throughout what we now call Spain. After he was martyred tradition records that his body was brought back to Spain to the Cathedral of Santiago (Santiago is James in Spanish) his resting place. Ever since his martyrdom millions have made this Walk annually to honor him. Commonly referred to as the Camino de Santiago or simply the Camino, it consists of various routes that stretch across Spain, France, and Portugal, all leading to the city of Santiago de Compostela in the region of Galicia, northern Spain. She hopes to see us in October and videotape our visit to the CAF facility in San Marcos as she loves airplanes having flown them and owned her own airplane.

Best Regards, Ray Clark STTC President
