

STTC JULY TBIRD TALES NEWSLETTER BUSINESS MEETING 7-25-26

Our July STTC monthly meeting was held on Saturday, 25 July at Northside Ford Dealership. It was a Business meeting as we hold them only twice a year. Those in attendance were Brian & Marilyn Carron, Gerry & Cheryl Busald, Stan & Olga Andrews, Barry & Judy Booth, Gary & Carolyn Faught, Walt & Poca Cole, and myself. Jerry & Barbara Cowan were across the street with a blown tire on their Tbird, and missed the meeting but made the Lunch! There was nothing new to be voted on during the Business meeting, just the usual things that required approval. An overview of the remainder of our STTC Activities was conducted by Gary Faught and Stan Andrews. Again with a small number of members in attendance we were able to enjoy an excellent meal along with pleasurable conversations. I was able to get a few photographs during the meal. Here they are.

August 27th ~ Thursday 1:15pm ~ Toyota Plant Tour is ON!!!

Weekday event, as Toyota does not do Tours on weekends. Jerry Cowan has confirmed that Toyota does have us set to take this tour on the date & time above. We need to all be at their Plant by 1:15pm for check in. They can handle 29 people & presently we have 22 STTC/SACTC members signed up for this Plant Tour. Please RSVP to me & Gerry as to whether or not you will attend this event. If you have already informed me and Gerry, you are already on record.

Lunch is set for 11am at Frank's Apollo Casado Restaurant 15511 Applewhite Rd #121 78264 210-257-0711. They have a great selection of food and are located close to the Toyota Plant.

There will be no meet up location to go to the restaurant. Once we leave it, we will all go together to the Plant Parking lot. There will be a bit of a walk to the Plant entrance.

Best Regards, Ray Clark STTC President
